## NOTICES

### NEWS FROM THE HEADMASTER

We are very excited to invite Nikki Bush to address the K.E.P.S family on helping future proof our boys. Nikki has vast experience in the field of team development, building family and cyber safety. Nikki is described as a human potential and parenting expert. This webinar is only for our community so please join us to learn more. Login in to the virtual meeting on Monday 12 April at 18h00. We need to keep our boys safe as we navigate sound Digital Citizenship.

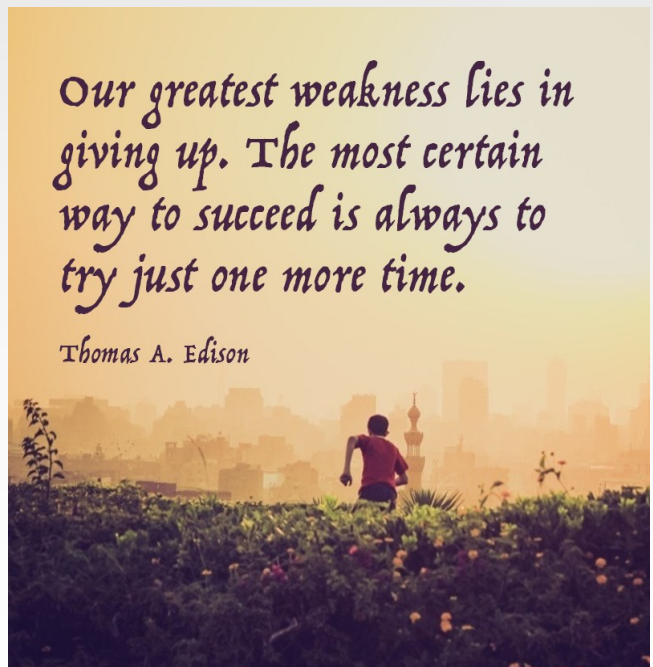

On a similar note, I am pleased to inform you that the teachers are busy with further EdTech training given the experiences of 2020 and the needs into the future. The senior boys will all have received Google Classroom training and their new school email address by the end of the term. Our internal online system is safe and secure which will provide a great learning platform for our boys.

### SGB ELECTIONS 2021

The time has come for us to introduce the nominated parents to the K.E.P.S. Family. You will notice video's and blurbs being posted onto the D6 so that each candidate has an opportunity to introduce themselves to the parent body. On 15 April 2021 from 06:00 - 06:30 last minute nominations will be accepted and then voting will commence from 06:30 - 17:30. At 17:30 the counting of the votes will begin and the newly elected SGB will be announced. Wishing all our candidates everything of the best during these elections.

*Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.*
